### *Interactive and Engaging English Learning Environment in HFTPS*

There are three Native Speaking Teachers (NETs) in our school, they are Ms. Naveed Rida, Ms. Naveed Yusra and Ms. Melissa Louise Caines. They teach P.1 – 6, so all pupils can have the opportunity to communicate with them in English.

The syllabus is well-planned to suit pupils' learning ability and interests. Students can acquire phonics knowledge through singing songs and practice reading comprehension skills through a series of reading activities.

Also, every PLP–RW lesson consists of learning the four important skills: reading, listening, speaking and writing.

### **Learning English Language effectively with different resources**

In the PLP–RW lessons, students enjoy learning in an interactive and comforting environment in the English Room.
